

# Privacy

At JSS we recognize that privacy is important. This Privacy Policy applies to all products and services provided by us.

## Collection of Information

We collect various information when you register your device with us, during your usage of our products and services. We may combine information about you that we have with information we obtain from other partners or other companies in order to provide you a better experience or to improve the quality of our services. When you sign in to our services, you are not anonymous to us. We automatically receive and record information from your mobile to process it as required.

When you use our services, we send one or more string of characters - to your device. We use data to improve the quality of our service, including for storing user preferences, tracking user trends, and providing you with a better experience.

Our infrastructure consists of shared server deployed at multiple datacenters that are owned and operated by our partners. All information collected within our services resides on this network of servers.

## Use of Information

We only use and process personal information for the purposes described in this Privacy Policy. In addition to the above, such purposes include:

- Communicating with you
- Providing our services
- Auditing, research and analysis in order to maintain, protect and improve our services
- Ensuring the technical functioning of our network
- Protecting our rights or property and that of our users
- Developing new services
- As described in the respective terms of service of each of our services and in the HostGator.in Customer Master Agreement

## Choices for Personal Information

When you sign up for a particular service that requires registration, we ask you to provide personal information. If we use this information in a manner different than the purpose defined herein and in the terms of the services offered, then we will ask for your consent prior to such use.

## Information Sharing

We will share personal information with other companies or individuals in the following limited circumstances:

- We have your consent
- We have a good faith belief that access, use, preservation or disclosure of such information is reasonably necessary to:
  - (a) satisfy any applicable law, regulation, legal process or enforceable governmental request,
  - (b) enforce applicable Terms of Service, including investigation of potential violations thereof,
  - (c) detect, prevent, or otherwise address fraud, security or technical issues, or
  - (d) protect against harm to rights, property or safety, of our users, us or the public as required or permitted by law.

## **Information Security**

We take appropriate security measures to protect against unauthorized access to or unauthorized alteration, disclosure or destruction of data. These include internal reviews of our data collection, storage and processing practices and security measures, as well as physical security measures to guard against unauthorized access to systems where we store personal data.

We restrict access to personal information to our employees, contractors and agents who need to know that information in order to operate, develop or improve our services. These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations.

## **Accessing and Updating Personal Information**

When you use our services, we make good faith efforts to provide you with access to your personal information and to correct this data if it is inaccurate.

## **Changes to this Privacy Policy**

Please note that this Privacy Policy may change from time to time.
